No exceptions. **Only players that have paid a registration fee may play in games. Non-paying players cannot play since we have the open subbing in this division.** For the coed division you may only play fulltime and/or sub on one other team.

Half of the teams balance is due at the first game and full balance must be paid by the start of your second game. A \$50 late fee will be charged for teams not paid by their second game. All players must sign the roster prior to playing. Rosters are closed at the third game. (16 total players may be listed with only a max. of 12 in the box at one time) If there is a color conflict the home team (first team listed) must change color.
